^IMPORTANT INFORMATION ABOUT THE MONTHLY PAYMENTS OPTIONS: Monthly payments shown in the table should allow you to pay in full the corresponding Amount Financed within the Estimated Payoff Period if this amount is and will be the only balance on your account during the promotional period and you make your monthly payments by the due date each month. If you have any additional balances on your account at any time during the promo period, the monthly required payments applicable to those balances will be added to the fixed payment required and such balance may impact how payments are applied to your promotional purchase.
